My dear Mina:-

It seems now that you can be released from your duties of race trusteeship. Grace and I can take on our own property in our own names: & will you kindly transfer the property which you hold as follows.

Miss Grace Miller Diamond Match Shares 15
" " " Rubber Data Corp. 20

Miss Mary E. Miller

Diamond Match	30
Baker Cate pref.	20

One Edison Phonograph Bond (1)	

Kindly have the Diamond Match in 5 share certificates as we have things to suit us. I think that completes the business transaction and I want to thank you most kindly for all your kindness in looking after it for us. It has probably saved us a great deal of trouble and now it is settled we can relieve you of your trouble. I hope we

has all finished with her troubles & now can have years of peace and freedom. Grace will corroborate this statement when she arrives at Orange.
It seemed so strange to get a letter from Madeleine while she was at St. Paul's School. We couldn't imagine what she was doing until your letter came explaining. To think of her flying about the country with you seems terribly grown up. I suppose soon we'll be hearing of her trip to Europe (without you?) Oh no you must go too. When's the trip to Italy you proposed taking? — I suppose it will come later.
The visiting ladies of our church come next Sunday - part of a house party. We didn't know which day they were coming until we saw it this a.m. in the calendar.
Give my love to Edith and all the family. Grace could not withstand your letter so will be with you as soon as she completes her work at Orange.
Jan 19-04 Affectionately Yours & many thanks Mary.

and we could say four as the fifth year practically takes care of itself as you see. Shall we continue or close up the deal - what say you? If we continue your share will be $71.72 as I suppose we'll use the $275.80 as premium - if we stop I don't know what we do get. Will have to write Mr. Kundaee & see.

Had a fine letter from Grace. She's at Wellesley today. Suppose are as happy as larks. You and Charles must be having a nice time too. What are they doing at Clermont without their Chauffeur.

Oak Place is simply beautiful today. Wish you were all here its fine.!

My dear John -

I have a bit of pleasant news for you and also a question to ask. Our insurance money is due and I have had a note from Mr. Kundaee saying we have our 5 year option surplus of $275.80 which we can use toward paying the premium or allow to remain with the company to increase value 5 yrs. or we can sell or else take a paid up policy - Now what shall we do. In another five years the policy will be paid up altogether

Mother and I stayed at home today. Mother says she wants the house to rest and I say it's too hot to go to church or any closed up place. so we both had good 4 cusses and here we are cool as cucumbers sitting in Mother's room writing to you and Thurs. I'll send this to Orange when they have your address. Please ans. it soon as the insurance must be decided upon before July 20. when it is due again.

Mr. Bradley was killed in the X X Century Limited accident. We will have to find another lawyer now. He was only 39 years old. It was an awful thing. Young Mr. Dillman and Mr. Morgan were the young men who bought the South Akron property of Lewis. Now only Mr. Deaver is left of the young men of the firm. Of course the Gatties are left but as I understand it was the young men who were the live movers in the deeds. So you're again in the mining business. Well I hope you'll be successful this time. You have lots of stick-to-itiveness.

Mother is well and sends all love as does Lon to you and Charles. Oh you have Charles with you he will bring you luck. You know he caught the tarpon!

June 25. 05. Oak Place Akron O. Mary.
